Our 651st meeting

November 8, 2013

[President's Message](#)

Dear GCC Members & Friends,

I want to thank all of the club members who worked hard in making our October 27 coin show one of the best shows we have ever had. All of the tables for the show were sold out and the show appeared to be well attended. Many dealers told me they had a great show which is also very important. Our Gold and Silver Coin Drawing was also very successful and a couple of club members even won prizes! Be sure to come to the meeting to learn more details about the show, including a breakdown of how much was raised for the club. I also wanted to thank especially Gordon O'Rourke and Scott McNatt for their efforts in helping to promote our coin show. Several attendees cited one of those two as the reason they came to our show and their help was greatly appreciated.

This month, one of our newer members, Dr. Joseph Michelson, will be giving a program on a few World coins which have designs featuring doctors. This should be a great presentation and it is especially nice to have members volunteer to give programs on topics they find interesting.

November's Program

"World Coins with Designs Featuring Doctors"

by Joseph B. Michelson, MD

One of the newest GCC members is Dr. Joseph Michelson. He volunteered to give a presentation on some world coins with designs featuring doctors. It is especially great when club members present programs on collecting in a niche area that has meaning to them and which they enjoy. We hope that many of you will come to the meeting for this presentation which I am sure interesting.
