PRESIDENT'S MESSAGE

Mary Yahalom

Dear Members:

Did everybody get their Gold Drawing Tickets in the mail? Please be sure to either sell or buy all of the tickets that you received. We will have more tickets at the next meeting for those who wish to sell everyone they know a chance to win of our gold coins from Around the World!

The **WHITE ELEPHANT SALE** we held last month was a really success!! Greg Burns was the auctioneer & he held us hostage on those items that did not sell the first time around. He just paired a slow moving item with a hot item & the buyer got both—what a bargain. Happily, Greg was one of the beneficiaries of this great idea. The GCC grossed between \$70.00 to \$80.00!! What a Holiday Party we will have.

Regarding the **Coin Show** it is **NEXT** month ! If you have any items to donate to the YN Bid Board or the YN Grab Bags please bring to the meeting

**REMEMBER—Invite your numismatic friend—
YOUNG and OLD to the next meeting. WE LOVE VISITORS!**

See you next month! *Mary*

GUESS WHAT'S THE PROGRAM FOR NEXT
MONTH??? **WHITE ELEPHANT**
SALE!!!

Be sure to bring all that good stuff you want to be someone else's **NEW TREASURE!** Remember, all the proceeds go to the **GREAT HOLIDAY PARTY** we all look forward to!

Regarding the **Coin Show** it is only **FOUR** months away. We will be having our YN Grag Bag so please be sure to donate articles to be included. The **BIG Thing** for all the members to keep in mind is that we need to **SELL GOLD TICKETS TO EVERYONE WE KNOW** – leave no friend unsold! The profit we make on this allows us to have bigger & better door prizes.

REMEMBER—*Invite your numismatic friend—*
YOUNG and OLD to the next meeting. WE LOVE
VISITORS!

See you all very soon! *Mary*

MORE WAYS TO CUSTOMIZE THIS TEMPLATE

FOOTERS

To change the text at the very bottom of each page of your newsletter, click Headers and Footers on the View menu. Use the Header and Footer toolbar to open the footer, and replace the sample text with your own text.

INSERT SYMBOL

It is a good idea to place a small symbol at the end of each article to let the reader know that the article is finished and will not continue onto another page. Position your cursor at the end of the article, click Symbol on the Insert menu, choose the symbol you want, and then click Insert.

BORDERS

You can use page borders and text box borders to change the appearance of your newsletter. Borders on text boxes help keep different articles separate, and can set off sidebar articles from the rest of the page. To change a text box border, select it, double click its edge and choose the Colors and Lines tab in the Format Auto Shape dialog box.

Inserting and Editing Pictures

Type your sub-heading here

You can replace the pictures in this template with your company's art. Select the picture you want to replace, point to Picture in the Insert menu, and click From File. Choose a new picture and then click Insert. Select the Link to File box if you don't want to embed the art in the newsletter. This is a good idea if you need to minimize your file size; embedding a picture adds significantly to the size of the file.

QUESTIONS AND ANSWERS

Q: I would like to change some of the text box shading to improve the print quality. Can that be done?

A: Yes. To change the shading or color of a text box, select it and double click its borders to open the Format Text Box dialog box. Click the colors and lines tab and then choose the new color from the Color drop-down list in the Fill section.

Q: What's the best way to print this newsletter?

A: Print page 2 on the back of page 1. Fold in half and mail with or without an envelope. For best results, use a medium to heavyweight paper. If you're mailing without an envelope, seal with a label.

Q: I would like to use my own clip art. How do I change the art without changing the design?

A: To change a picture, click on the picture, then point to Picture on the Insert menu and click From File. Choose a new picture, and click Insert.

Q: How do I change the text and borders that appear at the bottom of every page?

A: Click Headers and Footers on the View menu. Use the Header and Footer toolbar to navigate among headers and footers, insert date or time, or format the page numbers. To change the text in the footer, select it and type your new text. To change the border, click Borders and Shading on the Format menu.

Q: Can I save a customized newsletter as a template for future editions?

A: Yes. First make any changes you want to this newsletter, then click Save As on the File menu. Choose Document Template from the Save as type drop down list (the extension should change from .doc to .dot). Save the file under a new name. Next time you want to create a newsletter, choose New from the File menu, then choose your template.
