Our 646th meeting

June 14, 2013

President's Message

Dear GCC Members & Friends,

We have a really fun and interactive program planned for you this month that will test your skills in identifying U.S. Coins. Be sure to study your Red Books as there will be prizes for the winners!

Our monthly raffle will also have some great prizes. We are trying to step it up a bit this month based on feedback received from you and the total value of the raffle prizes will exceed \$250! ***Be sure to buy lots of raffle tickets!*** Also, remember that if you win a prize in the raffle that you do not really want, you are permitted to immediately auction that item and keep all of the proceeds.

Finally, at our last meeting, I mentioned that we had gold drawing tickets available for the NASC Gold Drawing which will be held in late August. However, I neglected to take the time to pass them out to you all at the meeting! I will have the tickets available for you on June 14th so be sure to pick some of them up (and bring address labels if you want to save time filling them all out). The drawing has been expanded this year and 35 gold coins will be given away. The NASC Gold Drawing is also an important fundraiser for us since GCC gets to keep 50% of

June's Program

"U.S. Coin Identification Challenge"

This should be a fun program which will test your knowledge of various designs which have been featured on United States coinage. Close-up images of various U.S. Coins will be presented to you for identification. Some of them will be immediately recognizable by most collectors, but some may be a little tougher to identify. Please note that all coins featured in this challenge can be found in the Red Book, so feel free to study in advance if you wish. There will be prizes for the winners!
