Our 662nd Meeting

April 11, 2014

Message From Our President...

Last month we had a wonderful 55th Anniversary celebration and it was great to see everyone come out and have fun. I was also very surprised and honored to have our ANA President, Walt Ostromecki, present our club with a certificate and also present me with a special honor. Read more on last month's meeting on **Page 6**.

We had a wonderful turnout last month with 20 members participating in show & tell and well over 100 auction items. However, that caused our meeting to run quite late. Accordingly, we will now be **starting our meetings** a little earlier at **7:00 p.m.** and we also ask members to limit their show & tell to about one minute. If you need more time, please consider

presenting a program at a future meeting.

Our **55th Anniversary Medals** are in and they are beautiful! Dan Carr did a much better job with the medals than I had hoped and I am certain you will all be very pleased with them. See them on **Page 7 & 8**.

Finally, if you didn't order one of our 55th Anniversary Medals in silver, you'll have a chance to win one of them and several other coins by Dan Carr in our monthly raffle as well as several other great prizes! Come out to the meeting and join us for a great educational program, show & tell and auction.

See you all at the meeting,
Mike

April's Program...

**A Brief History
of German Coins**

A complete history of German Coins would not be possible cover during a single program and would probably not even be possible to cover in a full year's worth of programs. Most collectors of World coins will already know that the books on German coins are massive as there is a long history and a wide variety of coins that have been issued. **Carey Hauser** will be presenting a brief history of German coins which will focus on some of the areas that interest him the most. The discussion will also cover how early German coin planchets were cast. We are again excited to have one of our members (and dealer at our annual coin shows) step up and present a topic of their expertise. We hope that you will also find the program interesting.

National Coin Week...

The 91st annual National Coin Week is being celebrated **April 20-26, 2014** with the theme "Coin & Country: Celebrating Civic Service." The theme honors the 50th anniversary of the Kennedy Half Dollar, President John F. Kennedy's famous call to service to "ask not what your country can do for you, ask what you can do for your country" and the role of money in celebrating civic pride and engagement. The ANA is holding a member volunteer challenge where members are encouraged to volunteer in their communities and document their experiences for prizes. See the ANA's website at www.money.org for more details if you wish to participate.

2015 Red Books...

The 2015 Guide Book of United States Coins ("Red Books") will be available in April. The Glendale Coin Club has pre-ordered a case of new Red Books at a discounted price. If you would like a new 2015 Red Book, we will have them in both Spiral bound and Hardcover editions for **only \$10 each!** We expect to have them in hand at our meeting this month. For reference, the suggested retail prices of the Spiral Bound and Hardcover 2015 Red Books are \$14.95 and \$16.95, respectively.

Purchase your copy or copies at the April meeting and they are available on a first come first served basis!

Glendale Coin Club 55th Anniversary Celebration...

Thank you to everyone who helped make our March anniversary party a great event. Special thanks to ANA President **Walt Ostromecki** for presenting the Glendale Coin Club a certificate to mark the occasion (image below). Thanks to **Greg Burns** as well for bringing the cake!

NASC Secretary **Harold Katzman** also attended our anniversary celebration and gave our the first look at the 2014 NASC Gold Drawing prizes! We were also the first club to receive the 2014 NASC Gold Drawing tickets for the August drawing. Tickets will be available at our April meeting and remember that half of the proceeds are retained by our club.

Finally, Walt Ostromecki also surprised and honored our club President **Michael Kittle** with the American Numismatic Association Presidential Award (see photos below). What a great meeting, thanks again!
