Our 698th Meeting

April 14, 2017

## Message From Our President...

Last month we had a great final meeting at the Citibank community meeting room in Glendale with strong attendance and plenty of fun. Our club has met at that Glendale Citibank ever since I started coming to the Glendale Coin Club meetings several years ago and I understand that the club has regularly met there since last century!

After a bit of work and a bit of expense, the Glendale Coin Club has been able to find a **new meeting place** at the **La Crescenta Library located at 2809 Foothill Boulevard**, just outside of Glendale. This should be a great location for our club meetings and hopefully it will be available to us for many years to come.

In part, because of the uncertainty over the last month about our meeting location, we did not schedule a regular program this month. Instead, we invite all members to bring an interesting item to share with us in an **extended show and tell**. It has been awhile since we have done an extended show and tell and it is always great to see the interesting items that our members bring to share. Looking forward to see what you all bring!

Finally, we will be having another exciting Raffle (see Page 3) and an Auction at the meeting, with lots refreshments too!

See you all on Friday at our new meeting location,

Mike

**Extended Show & Tell  
By: All of the Members!**

It has been awhile since the club has done an extended show & tell. I know many of you like to go into a little more depth on something you bring so here is your chance to do so. Also, some of you do not typically bring an item for show and tell. I hope that you are considering bringing something to this next meeting and sharing it with us. Show and tell is not only a good opportunity for you to show off that new acquisition, but also a great opportunity for your fellow club members to learn something about the item you bring and to learn more about you as a collector. We look forward to having everyone participate in this and look forward to all of the interesting items brought to the meeting. See you there and hope you all have fun with this!

## Join the ANA...

If you are not already a member of the **American Numismatic Association**, now is the perfect time to join!

A regular membership in the ANA is only \$28 per year. The ANA is our hobby's national organization and it does a great deal to further our hobby. The ANA has many educational programs, a wonderful monthly magazine and hosts some of the best coins shows in the country.

Your ANA membership includes online access to all of the back issues of The Numismatist magazine going back over 100 years! With your membership in the ANA, you will also be able to register for ANA shows in advance and receive free admission. But most importantly, you will be supporting a great numismatic organization! Please consider joining and see **Michael Kittle** if you would like a **membership application**.

## Join the NASC...

If you are not already a member of the **Numismatic Association of Southern California**, I again urge you to join.

Regular membership dues are \$20 annually, but if you sign up through our club your first year will be at a **discounted \$15 rate!** With your membership, you will receive a print subscription to the award winning publication, **The California Numismatist**, which is edited by **Greg Burns**. If you do not wish to receive the print subscription to TCN, the NASC offers digital memberships for **only \$10** per year.

The NASC also does a lot of good work to help support area coin clubs, including our Glendale Coin Club. For example, through their annual gold coin drawing, our club was able to earn over \$200! Please consider joining and see **Michael Kittle** if you would like a **membership application**.
