Our 702nd Meeting

August 11, 2017

Message From Our President...

I hope you all are having a great summer. This Friday is the perfect time to join us at the next coin club meeting where we will be having a **PIZZA PARTY!**

In addition to the pizza, we will have a program on the first coins of the United States. I recently attended the ANA World's Fair of Money in Denver and a couple of these very first American coins were on display. While it is always neat to be able to see such important coins in person, I will be doing a program on them to share them with all of you who were not able to make it to the show.

Please do not forget that the **NASC Golden State Show** is later this month **August 26-27**. This is your last chance to

buy raffle tickets for the 35 gold coins given away at that show. Remember that our club gets to keep half of the sales proceeds so be sure to buy lots of tickets!

As previously mentioned, we will have no coin club medal this year. However, we are having **Daniel Carr** make some special **overstrikes** this year and this meeting is your **FINAL chance** to order and make payment for these overstrikes. See Page 7 for more information.

In addition to the Pizza Party, we will also have another exciting Raffle (see Page 3) and our regular Auction too. Hope to see lots of you at the meeting this month!

See you on Friday,
Mike

August's Program...

**The First Coins of the United States
By: Michael Kittle**

This month's program will be on the first coins struck by the United States. The United States Mint was established in 1792 and the first coin struck was the 1792 Half Dime. Before the establishment of a Mint, the newly formed United States also authorized a few other coins. Some of these very first coins of the United States were recently on display at the ANA World's Fair of Money in Denver.

Please come out to the meeting and enjoy this program. Again, it is always great when we have programs done by our regular club members. Please let us know if you have an idea that you would like to present as a program to the club this year so that we can continue to have great presentations at our meetings! Thank you in advance!

Join the ANA...

If you are still not a member of the **American Numismatic Association**, now is the perfect time to join!

A basic membership in the ANA is \$28 per year. Recently, the ANA provided our club with a limited number of **free memberships** for anyone who is not currently an ANA member and who has not been a member recently.

The ANA is our hobby's national organization and does so much to further our hobby. They have many educational programs, a wonderful monthly magazine and host some of the best coins shows in the country. Your membership includes online access to all of the back issues of *The Numismatist* magazine going back over 100 years! Most importantly, you'll be part of a great numismatic organization! Please consider joining and see **Michael Kittle** if you would like an **application**.

Join the NASC...

If you are not already a member of the **Numismatic Association of Southern California**, I again urge you to join.

Regular membership dues are \$20 annually, but if you sign up through our club your first year will be at a **discounted \$15 rate!** With your membership, you will receive a print subscription to the award winning publication, **The California Numismatist**, which is edited by **Greg Burns**. If you do not wish to receive the print subscription to TCN, the NASC offers digital memberships for **only \$10** per year.

The NASC also does a lot of good work to help support area coin clubs, including our Glendale Coin Club. For example, through their annual gold coin drawing, our club was able to earn over \$200! Please consider joining and see **Michael Kittle** if you would like a **membership application**.

2017 Glendale Coin Club Overstrikes...

As previously mentioned, we are unable to have Daniel Carr make club medals for us this year given his current workload. Typically smaller clubs like ours do not have custom medals made every year. Daniel Carr has asked us to hold off on doing a new medal until our next big anniversary in 2019. He did a great job with our 2014-2016 club medals and I look forward to the next medal we have made.

In discussing the matter further with Daniel Carr, we may be able to use our existing die to overstrike coins. So, we are planning to use our existing obverse die of the 1925 California Diamond Jubilee Half Dollar (see Page 1) to overstrike 2017-dated copper rounds and silver eagles. This will be a quick and easy way to have Daniel Carr make us some neat pieces for our club that are dated 2017.

All active club members who attend a meeting during 2017 will receive one copper overstrike **FREE!** (1 per person, 2 per family membership)

Additional pieces are priced as follows:

Overstrike of 2017 **Copper** Walker Zombucks = **\$12.50 each**

Overstrike of 2017 One Ounce U.S. **Silver** Eagle = **\$27.50 each**

Final **orders and payment** will be **due** by our **August 11** meeting and we expect delivery by our October meeting.

Please note that the final prices are subject to adjustment in the event silver prices substantially change by the time our order is placed in mid-August.
