Our 672nd Meeting

February 13, 2015

Message From Our President...

I hope you are all ready for another great meeting of the Glendale Coin Club! This month, the program is on the medals and tokens of the **1894 California Mid-Winter Exposition**. Many beautiful pieces were produced so be sure to check it out!

It is now time to start ordering the **2015 Glendale Coin Club medals**. Even though the design is not yet final as of this writing, we plan to take orders at our February 13 and March 13 meetings only. If you are unable to attend the meetings and still wish to order medals, please call or email me to order. Once again, extra medals will not be ordered and they will be available on a pre-order basis only. See **Page 6** for more information.

2015 **membership dues are due** at this time. Please be sure that you are paid up and remain an active member of the club. See **Page 5** for more details.

The Long Beach Expo was last week and it was great to see so many of our club members stop by and see me and Jay at our table. I know that we are both already looking forward to the next show in June, but there are several other local shows before that as well (see **Page 5**).

Finally, this month's raffle is another great one; be sure to check out the prizes listed on **Page 3**. Also bring your show & tell and plenty of auction items too.

See you all on Friday,
Mike

February's Program...

**Medals and Tokens of the
1894 California Midwinter Exposition**

This month, **Michael Kittle** will be presenting a short program on the medals and tokens of the 1894 California Midwinter Exposition. The 1894 California Midwinter Exposition was held in San Francisco's Golden Gate Park. Many tokens and medals were produced as souvenirs in connection with the exposition and several of them have very beautiful designs. Even the United States Mint got involved and produced a medal for the fair, featuring Charles E. Barber's detailed rendition of the California State Seal (see photo to the right). In this presentation, you will get to see several of these medals in hand and also see professional images of many others. We hope that everyone finds this program interesting!

2015 Glendale Coin Club Medals...

As previously mentioned, we have again commissioned Daniel Carr to strike medals for our club. Daniel Carr is the designer of the New York and Rhode Island statehood quarters and his company owns a surplus coin press from the Denver Mint. He did a great job with our 2014 medals. Medals will be struck in copper, silver and gold. Final **orders and payment** will be **due** at our **March 13** meeting and we expect delivery by our May meeting. The obverse will be the same as our 2014 medals, featuring the reverse design of the 1925 California Diamond Jubilee Half Dollar surrounded by our club name in incused lettering. The reverse designed will be based on the cap/rays/stars design of the Pacific Company \$5 gold piece and will be dated 2015. The design is not yet final, but will be similar to the design shown below.

All active club members who attend a meeting during 2015 will receive one copper medal **FREE!** (1 medal per person, 2 medals per family membership)

Additional medals are priced as follows:

39mm **Copper** Medal = **\$10 each**

39mm **Silver** .999 One Ounce Medal ("ONE TROY OZ. 999 SILVER" marked on edge) = **\$30 each**

39mm **Gold** .999 50 Gram Medal ("50 GRAMS 999+ GOLD" marked on edge) approx. 1.6 troy oz. gold = **\$2350 each** (price includes ANACS certification)

Please note that the final prices are subject to adjustment in the event silver and gold prices substantially change by the time our order is placed in mid-March.
