Our 696th Meeting

February 10, 2017

## Message From Our President...

It is that time of the year again where we must make nominations for our club's board and officers. We have a total of eleven positions (see **Page 2**) that must be filled and we will have our election in March at our club's anniversary meeting. If you wish to nominate yourself or someone else for one of the spots, please see me during our February meeting. I encourage you all to become more involved in the Glendale Coin Club!

This month, I will be presenting a program on the coins and medals of Daniel Carr. See **Page 2** for more info. We are still looking for others to do programs in upcoming months so please sign up at the meeting!

The first coins from 2017 are starting to show up in circulation. Keep your eyes peeled for the special 2017-P Lincoln Cents in your change this year. For the 225th anniversary of the Mint, a "P" mint mark has been added to the cent for the very first time. The 2017 Silver Eagles are also out. We will be giving away a full roll of twenty of those in our raffle this month so be sure to come out to the meeting and buy lots of raffle tickets!

Finally, we will be having Show & Tell, Raffle and an Auction at the meeting so please bring some interesting items to share and to sell!

See you all on Friday,  
Mike

**February's Program...**

**The Coins and Medals of Daniel Carr  
By: Michael Kittle**

This month's program will be on the Coins and Medals of Daniel Carr and will be presented by Michael Kittle. As most of you know, Daniel Carr of the Moonlight Mint made our Glendale Coin Club medals for the last three years. Several years ago, he bought and restored a surplus press from the Denver Mint which he now uses to make medals and overstrike coins. His pieces are popular and collected by many.

Please come out to the meeting and enjoy this program on this interesting area of coins. Again, it is always great when we have programs done by our regular club members. Please let us know if you have an idea that you would like to present as a program to the club this year so that we can continue to have great presentations at our meetings! Thank you in advance!

A regular membership in the ANA is only \$28 per year. The ANA is our hobby's national organization and it does a great deal to further our hobby. The ANA has many educational programs, a wonderful monthly magazine and hosts some of the best coins shows in the country.

Your ANA membership includes online access to all of the back issues of The Numismatist magazine going back over 100 years! With your membership in the ANA, you will also be able to register for ANA shows in advance and receive free admission. But most importantly, you will be supporting a great numismatic organization! Please consider joining and see **Michael Kittle** if you would like a **membership application**.

## Join the NASC...

If you are not already a member of the **Numismatic Association of Southern California**, I again urge you to join.

Regular membership dues are \$20 annually, but if you sign up through our club your first year will be at a **discounted \$15 rate!** With your membership, you will receive a print subscription to the award winning publication, **The California Numismatist**, which is edited by **Greg Burns**. If you do not wish to receive the print subscription to TCN, the NASC offers digital memberships for **only \$10** per year.

The NASC also does a lot of good work to help support area coin clubs, including our Glendale Coin Club. For example, through their annual gold coin drawing, our club was able to earn over \$200! Please consider joining and see **Michael Kittle** if you would like a **membership application**.
