Our 689th Meeting

July 8, 2016

Message From Our President...

There is a lot planned for our club this summer! First, we have this month's meeting which will feature an interesting video presentation. And while we enjoy this presentation, we will be having a fun **pizza party** so show up a little hungry!

Another reminder that there will be **no regular August meeting!** Instead, we will have a **joint meeting** w/ the Verdugo Hills Coin Club at the **ANA World's Fair of Money in Anaheim on Saturday, August 13**. We have a fantastic presentation schedule for this meeting so I hope that many of you will be able to attend. It will be a brief meeting with no show and tell and no auction, but there will be an attendance raffle w/ many special prizes!

Our club will also be **sharing a table** with the Verdugo Hills Coin Club at the ANA show in Anaheim. The club section at the show is full so we are lucky to have this space for our club. This is an excellent opportunity for our club to reach out to the numismatic community and also to potential new members. I hope that some of you will be willing to help staff the table during the show. More details on this will be discussed at our meeting on Friday.

Finally, be sure to check out the raffle prizes listed on **Page 3**. Remember, this is our last regular meeting, raffle and auction until September!

See you all on Friday,
Mike

July's Program...

**Money, History in Your Hands
By: Mary Yahalom**

This month's program will be a video presentation on the history of money. The video covers the story of money from ancient times to modern commemoratives told by America's greatest story teller, James Earl Jones. The video provides a unique and fascinating insight into art, culture, religion and politics. James Earl Jones narrates you through numismatic history lesson illustrating the coins and lives of Jesus Christ, Julius Caesar, Alexander the Great, Hercules, Daniel Boone and Abraham Lincoln. Coin Collecting allows you to travel through time and space, to meet the famous face-to-face, to view faraway places and events that are captured forever on bits of metal or pieces of paper .

2016 Glendale Coin Club Medals...

As previously mentioned, we have again commissioned Daniel Carr to strike medals for our club. Daniel Carr is the designer of the New York and Rhode Island quarters and his company owns a surplus coin press from the Mint. He did a great job with our 2014 & 2015 medals. Medals will be struck in copper, silver and gold. Final **orders and payment** were **due by June 15** and no more orders can be taken. The obverse will be the same as our previous medals, featuring the reverse design of the 1925 California Diamond Jubilee Half Dollar surrounded by our club name in incused lettering. The reverse designed will be based on 1894 California Midwinter Exposition Medal which was struck by the Mint and designed by Charles Barber and will be dated 2016. The design has now been finalized and is shown below.

All active club members who attend a meeting during 2016 will receive one copper medal **FREE!** (1 medal per person, 2 medals per family membership)

We have placed our final order for 2016 Glendale Coin Club Medals and delivery is expected by the 2016 World's Fair of Money in Anaheim!

Thank you to all of you who ordered medals and who have supported the production of these beautiful medals over the past three years!

Join the ANA...

If you are not already a member of the **American Numismatic Association**, now is the perfect time to join!

A regular membership in the ANA is a minimum \$28. Recently, the ANA provided our club with a limited number of **complimentary memberships** to the ANA for us to use as we wish. They are available only to those who are not currently members and who have not been members in the last couple of years.

Remember that the ANA **World's Fair of Money** will be held in Anaheim in **August 2016**. With your membership in the ANA, you will be able to register for that show in advance and receive free admission. You will also have electronic access to The Numismatist magazine including all back issues! Please consider joining and see **Michael Kittle** if you would like a **membership application**.

Join the NASC...

If you are not already a member of the **Numismatic Association of Southern California**, I again urge you to join.

Regular membership dues are \$20 annually, but if you sign up through our club your first year will be at a **discounted \$15 rate!** With your membership, you will receive a print subscription to the award winning publication, **The California Numismatist**, which is edited by **Greg Burns**. If you do not wish to receive the print subscription to TCN, the NASC offers digital memberships for **only \$10** per year.

The NASC also does a lot of good work to help support area coin clubs, including our Glendale Coin Club. For example, through their annual gold coin drawing, our club was able to earn over \$200! Please consider joining and see **Michael Kittle** if you would like a **membership application**.
