Our 697th Meeting

March 10, 2017

## Message From Our President...

As you may have heard, Citibank is planning on closing their branch location on Honolulu Ave. in the next couple of months. Accordingly, our club will be losing its regular monthly meeting location after this month's meeting. We have been looking into alternative meeting locations for our club, but as of this writing, we have not yet found a suitable location. Several places we have looked into are prohibitively expensive and others will not allow us to meet at the same late hours that we are accustomed to meeting.

We do hope to keep our regular club meetings in Glendale (and yes we've been meeting in Glendale all of these years

despite what you may hear from a few haters at other coin clubs). However, we may need to start looking elsewhere if we can not find a location. If you know of a place and/or could help provide a meeting place for our club, please help out!

In other news, the Glendale Coin Club received a check from the NASC in the amount of \$241 as a bonus for selling tickets for their August 2016 raffle. Thanks for supporting that raffle as it does pay off for our club each year!

Finally, we will be having Show & Tell, Raffle and an Auction at the meeting, which looks to be our last at this location!

See you all on Friday,  
Mike

**March's Program...**

**Counterfeit I.Q. Test  
By: Don Berry**

This month's program will be a counterfeit coin I.Q. test that will be presented by Don Berry. Counterfeits have been around about as long as coins themselves and a bit part of collecting coins is knowing how to identify those that are not genuine. This program will provide collectors of all experience levels with some great information on what to look for in verifying authenticity of coins.

Please come out to the meeting and enjoy this program on this interesting area of coins. Again, it is always great when we have programs done by our regular club members. Please let us know if you have an idea that you would like to present as a program to the club this year so that we can continue to have great presentations at our meetings! Thank you in advance!

## Join the ANA...

If you are not already a member of the **American Numismatic Association**, now is the perfect time to join!

A regular membership in the ANA is only \$28 per year. The ANA is our hobby's national organization and it does a great deal to further our hobby. The ANA has many educational programs, a wonderful monthly magazine and hosts some of the best coins shows in the country.

Your ANA membership includes online access to all of the back issues of The Numismatist magazine going back over 100 years! With your membership in the ANA, you will also be able to register for ANA shows in advance and receive free admission. But most importantly, you will be supporting a great numismatic organization! Please consider joining and see **Michael Kittle** if you would like a **membership application**.

## Join the NASC...

If you are not already a member of the **Numismatic Association of Southern California**, I again urge you to join.

Regular membership dues are \$20 annually, but if you sign up through our club your first year will be at a **discounted \$15 rate!** With your membership, you will receive a print subscription to the award winning publication, **The California Numismatist**, which is edited by **Greg Burns**. If you do not wish to receive the print subscription to TCN, the NASC offers digital memberships for **only \$10** per year.

The NASC also does a lot of good work to help support area coin clubs, including our Glendale Coin Club. For example, through their annual gold coin drawing, our club was able to earn over \$200! Please consider joining and see **Michael Kittle** if you would like a **membership application**.
