Our 663rd Meeting

May 9, 2014

Message From Our President...

This month we will have another club member presenting on an area of their collecting expertise which is always great! **Mary Yahalom** will be presenting a program on classic commemoratives. Please see **Page 2** for more information.

Last month was our first try starting our meeting earlier **at 7:00 p.m.** and it seemed to work well. I realize that some members have trouble arriving by that time, but I hope all will still come and show up as soon as you can make it.

Please note that the Long Beach Coin Expo will take place June 5-7. Please see **Page 5** for information on how to obtain **FREE** passes to the show! Hope to see lots of club members there!

If you have not already bought a copy of the **2015 Red Book**, we have copies available at the meeting. We also have **NASC Gold Drawing** tickets available for sale. Remember that the NASC Gold Drawing is an important fundraiser for our club and you can win gold! Last year our club members won 5 of the 35 gold prizes!

Please join us Friday for another fun meeting, interesting educational program, show & tell and auction. We will also be having a brief **Board Meeting** right after our normal meeting to continue planning our October show. All are welcome and encouraged to attend and participate.

See you all at the meeting,
Mike

May's Program...

The A-Z's of United States Commemorative Coins (1892-1954)

This month's program covers interesting facts on classic commemorative U.S. coins accompanied by various items of "Commemorabilia," including the original applications to purchase coins, brochures about the coins; holders for mailing the coins and the mailing envelopes; and medals, badges, ribbons etc. sold at or used by persons at celebrations connected with the coins. **Mary and Jerry Yahalom** have been collecting commemoratives and "Commemorabilia" for approximately 25 years and they enjoy sharing their collection with coin collectors everywhere. We are again excited to have a program presented by one of our members on a topic of their expertise. We hope that you will also find the program interesting.
