Our 687th Meeting

May 13, 2016

Message From Our President...

We have another great meeting planned for the Glendale Coin Club this month. The educational **program** will be on **Conder Tokens** and we are lucky to have John Duff presenting on that topic. This is an interesting area of numismatics so be sure to come out to meeting if you would like to know more! Please see **Page 2** for more details.

The next major show is the **Long Beach Expo on June 9-11**. I have not yet received free passes for club members, but hope to have them by our meeting date. Either way, you can always register for the show online at: www.longbeachexpo.com by clicking the "Get Passes" button. If you use code **MEDIA** as the Promo Code and

follow the instructions for FREE passes to the show. There are a few smaller shows coming up as well so be sure to check out our full coin show calendar on **Page 6**.

We have finalized plans for our special **August joint meeting** with the Verdugo Hills club. Our meeting will be held at **1:00pm August 13, 2016** at the Hilton Anaheim Hotel and we will have Jeff Oxman speaking on Morgan Dollars. No regular meeting in August. Be sure to mark your calendars! More details to come

Finally, be sure to check out the raffle prizes listed on **Page 3**. Also bring your coins for show & tell and auction too.

See you all on Friday,
Mike

May's Program...

**Conder Tokens
By: John Duff**

John Duff is a lifetime member of the ANA, Vice President of the Verdugo Hills Coin Club, Second Vice President of the Glendale Coin Club, member of the the Early American Copper Club as well as a member of the Conder Token Collectors Club. This month John will talk about British Provincial Tokens of the 18th Century often referred to as "Conder Tokens." These early copper tokens from 1787 to 1802 come into being during the early industrial revolution in the United Kingdom.

Again, it's great when we have programs done by our regular club members. Please let us know if you have an idea that you would like to present as a program to the club this year!

Join the ANA...

If you are not already a member of the **American Numismatic Association**, now is the perfect time to join!

A regular membership in the ANA is a minimum \$28. Recently, the ANA provided our club with a limited number of **complimentary memberships** to the ANA for us to use as we wish. They are available only to those who are not currently members and who have not been members in the last couple of years.

Remember that the ANA **World's Fair of Money** will be held in Anaheim in **August 2016**. With your membership in the ANA, you will be able to register for that show in advance and receive free admission. You will also have electronic access to The Numismatist magazine including all back issues! Please consider joining and see **Michael Kittle** if you would like a **membership application**.

Join the NASC...

If you are not already a member of the **Numismatic Association of Southern California**, I again urge you to join.

Regular membership dues are \$20 annually, but if you sign up through our club your first year will be at a **discounted \$15 rate!** With your membership, you will receive a print subscription to the award winning publication, **The California Numismatist**, which is edited by **Greg Burns**. If you do not wish to receive the print subscription to TCN, the NASC offers digital memberships for **only \$10** per year.

The NASC also does a lot of good work to help support area coin clubs, including our Glendale Coin Club. For example, through their annual gold coin drawing, our club was able to earn over \$200! Please consider joining and see **Michael Kittle** if you would like a **membership application**.
