Our 699th Meeting

May 12, 2017

Message From Our President...

Last month was our club's first meeting at the **La Crescenta Library** after our previous location closed down. Attendance was good, so I do not think that we lost too many members in the move! The new location is nice and should work well for our club meetings. Be sure to come to the meeting and check it out if you were not able to join us last month.

Thanks to all who donated items last month to auction for the benefit of the club. An additional \$47 was raised for the club which certainly helps to cover the costs of our meeting room & refreshments. If you have any items, coin related or not, that you wish to donate to the club it is always appreciated. I already know we'll

have some great items this month as well.

At the suggestion of several of our members during our last meeting, we will start a **50-50 Raffle** at this meeting. This should provide a few extra dollars for the club and some added fun at our regular meetings, especially for the winners!

Finally, we will be having another exciting Raffle (see Page 3) including a really nice **top prize** of an NGC MS64 Morgan Silver Dollar which was **donated the club by Gordon O'Rourke**. Thanks Gordon! We'll also have our regular Auction at the meeting, with lots of yummy refreshments too!

See you all on Friday,,

Mike

May's Program...

**Grading Mint State Morgan Dollars
By: Michael Kittle**

This month's program will be a short video produced by PCGS on grading mint state Morgan Dollars. Through this video, you will learn the differences of the MS60 through MS69 grades and see several images of coins in each grade. Many of our club members collect Morgan Dollars and it is important that we all know how to grade them!

Please come out to the meeting and enjoy this program on one of the most popular coin types. Again, it is always great when we have programs done by our regular club members. Please let us know if you have an idea that you would like to present as a program to the club this year so that we can continue to have great presentations at our meetings! Thank you in advance!

Join the ANA...

If you are still not a member of the **American Numismatic Association**, now is the perfect time to join!

A basic membership in the ANA is \$28 per year. Recently, the ANA provided our club with a limited number of **free memberships** for anyone who is not currently an ANA member and who has not been a member recently.

The ANA is our hobby's national organization and does so much to further our hobby. They have many educational programs, a wonderful monthly magazine and host some of the best coins shows in the country. Your membership includes online access to all of the back issues of *The Numismatist* magazine going back over 100 years! Most importantly, you'll be part of a great numismatic organization! Please consider joining and see **Michael Kittle** if you would like an **application**.

Join the NASC...

If you are not already a member of the **Numismatic Association of Southern California**, I again urge you to join.

Regular membership dues are \$20 annually, but if you sign up through our club your first year will be at a **discounted \$15 rate!** With your membership, you will receive a print subscription to the award winning publication, **The California Numismatist**, which is edited by **Greg Burns**. If you do not wish to receive the print subscription to TCN, the NASC offers digital memberships for **only \$10** per year.

The NASC also does a lot of good work to help support area coin clubs, including our Glendale Coin Club. For example, through their annual gold coin drawing, our club was able to earn over \$200! Please consider joining and see **Michael Kittle** if you would like a **membership application**.
