Our 691st Meeting

September 9, 2016

## Message From Our President...

Thank you to all who attended our **joint meeting** w/ the Verdugo Hills Coin Club at the **ANA World's Fair of Money in Anaheim** last month. The meeting was a great success with nearly 50 people in attendance, including ANA President Jeff Garrett. See **Page 8** for a couple photos.

The NASC's annual Golden State Coin Show in Arcadia was another great show and was good to see lots of GCC members attending. The NASC's member club benefit raffle drawing of 35 gold coins went well with at least 4 coins going to GCC members and a couple to VHCC too.

**2016 Glendale Coin Club medals** are now in and they look amazing! If you pre-ordered medals, they will be available

for you to pick up at the meeting. The distribution of the copper medals to members will not start until next month. See **Page 5** for more information and pics.

Please remember that **Glendale Coin Club Show & Raffle** is coming soon on **October 23, 2016**. Please come to the meeting to take/purchase raffle tickets and please also let me know if you wish to volunteer to help out at the show. The show and raffle is the big fundraiser of the year for GCC and your support is greatly appreciated.

Finally, be sure to check out the raffle prizes listed on **Page 3**.

See you all on Friday,  
Mike

**September's Program...**

**Extended Show & Tell  
By: All Attending Members**

Because we did not have a regular meeting last month and because I am sure many of you have many new purchases to show off from the ANA and other shows, it is time for another extended show & tell. Also, doing the extended show & tell instead of a full program will allow us more time for the auction, which I expect will be bigger than average since we had none last month. I also know many of you like to go into a little more depth on something you bring so here is your chance to do so. Show and tell is not only a good opportunity for you to show off that new acquisition, but also a great opportunity for your fellow club members to learn something about the item you bring and to learn more about you as a collector. See you all at the meeting!

## 2016 Glendale Coin Club Medals...

The 2016 Glendale Coin Club Medals made by Daniel Carr are now finished and have been delivered to us. Once again, the medals came out beautiful and they are very impressive. Dan did an amazing job with the 1894 California Midwinter Exposition design. All club members will be very pleased with these. The medals were delivered to us at the ANA World's Fair of Money in Anaheim and the solid gold examples have been submitted to ANACS for certification. Please note that because of a conflict between the Long Beach Expo and our September meeting, distribution of the copper medals to members attending meetings will not begin until our October meeting. The final 2016 mintage statistics, which are also published on Daniel Carr's website, are listed below.

**Thank you to all of you who ordered medals and who have supported the production of these beautiful medals over the past three years!**

## Join the ANA...

If you are not already a member of the **American Numismatic Association**, now is the perfect time to join!

A regular membership in the ANA is a minimum \$28. Recently, the ANA provided our club with a limited number of **complimentary memberships** to the ANA for us to use as we wish. They are available only to those who are not currently members and who have not been members in the last couple of years.

Remember that the ANA **World's Fair of Money** will be held in Anaheim in **August 2016**. With your membership in the ANA, you will be able to register for that show in advance and receive free admission. You will also have electronic access to The Numismatist magazine including all back issues! Please consider joining and see **Michael Kittle** if you would like a **membership application**.

## Join the NASC...

If you are not already a member of the **Numismatic Association of Southern California**, I again urge you to join.

Regular membership dues are \$20 annually, but if you sign up through our club your first year will be at a **discounted \$15 rate!** With your membership, you will receive a print subscription to the award winning publication, **The California Numismatist**, which is edited by **Greg Burns**. If you do not wish to receive the print subscription to TCN, the NASC offers digital memberships for **only \$10** per year.

The NASC also does a lot of good work to help support area coin clubs, including our Glendale Coin Club. For example, through their annual gold coin drawing, our club was able to earn over \$200! Please consider joining and see **Michael Kittle** if you would like a **membership application**.
