Board Meeting

There was a board meeting at Bea's house at the beginning of the month, but unfortunately I had other commitments and couldn't make it. I know we can count on hearing all of the latest scoop during the November meeting though. I'll bet they had some pretty good refreshments there too!

Well, our seasons finally seem to be changing. I've had the pleasure to slip into a sweater or two in the past few weeks, and there have been a couple of rains to remind us that summer is over and the leaves will soon be blowing all over our yards and driveways.

That happy state of affairs (for me at least) also brings

along with it the pleasurable tasks of planning for our year-end holiday party. We should make our final party plans during the November meeting: who will bring the food, what do we order (Billy's?), will we charge the members, maybe make it a potluck, and so on. Be sure to come to the November meeting and make your opinion heard.

NASC Trophy Lost

You'll hopefully recall the February meeting where we again won the NASC President's Trophy for our newsletter. BUT, HELP! The poor thing seems to have been lost and we need your assistance in finding it. If you recall seeing where this prized beauty went to, please let one of the club officers know!

In case you've forgotten what fun we had at last year's holiday party, I've reprinted my favorite photo from last December's event. Joe and Mary Purnell flank the delicious spread we ordered from *Billy's Delicattesen*, while Dorsille Fritcher, and Jerry and Mary Yahalom send some holiday waves and cheer.

Treasurer's Report

During the October meeting Joe Purnell reported that we have about:

- \$107 in cash on hand
- 126 in our checking
- 732 in our savings
- \$965 to go wild with!

Remember that we still have the holiday party to get through, and that historically, levels below \$1000 are a low-water mark for the club (even considering we'll soon be entering our membership dues season).

Due's Soon Due

\$...and speaking of money, it's never too early to start planning on paying your 2002 dues. I noticed that both Bill Perkins and Ina Mauck have already paid for next year. And if I remember correctly, at the last board meeting I went to we discussed giving a premium to those who paid before the new year (meaning by the December meeting). I believe we were thinking of giving away a set of GCC wooden nickels to each of those who paid by December — something like 26 different wooden nickels representing the club all the way back into the 1970's. (Remember, these are the wooden nickels donated to the club by Mike Aron; I think there's a whole box full in the store room.) Anyway, we'll soon be needing the funds, so please consider paying early.

Thanks, Bea!

Not only did Bea host the board meeting in November, but she also did the club the favor of calling many of our past, but no longer present, members. Many have moved away, or phones were disconnected. With several she left a message or got a wrong number. But there were a few she spoke with, some promising to come pay us a visit. Perhaps we'll get lucky and see some of these old familiar faces once again. If not, well...their memories are cherished anyway.

Need Two Volunteers

At the October meeting I noticed that both Mary Yahalom and Joe Purnell were struggling with multiple volunteering duties. Mary, who is our President and opens every meeting, was also trying to set up coffee and other pre-refreshment arrangements. Joe was busy with treasurer duties, but was also managing door prize ticket sales. They're both busy with their primary duties: President and Treasurer. Is there please someone who can help with refreshment set-up and door prize ticket sales? Please? Pretty please?

Thanks, Tom

Thanks again to Tom Redmond, who donated some red books and other coin books to the club last month. We auctioned them off and the proceeds

Seeking Newsletter Contributors

Would you like to see your name in print? It's a terrific feeling, satisfies the soul and ego at the same time — nothing wrong with that. If so, and if you have opinions, ideas about collecting, thoughts on club matters, or would just like to try your hand at writing something, let me know! I'd be very happy to include written works from members in the newsletter, anything from a short paragraph to a multi-part article. I'm happy to help with ideas and as editor I'll also be happy to proof your material get it ready for publication. Just give me a call or email me. I'd prefer to get the material already typed (digital), but it's really not necessary. After all, it's not like this newsletter is 40 pages or anything.

Did You Know?...

"Dime" is derived from the Latin "decima", meaning "tenth part." The coin was originally authorized as a "disme" which the Law of April 2, 1792 defined as the "tenth part of a dollar."
