Our 674th Meeting

April 10, 2015

Message From Our President...

Another great meeting of the Glendale Coin Club is coming up in just a few days! This month, we have a program on **California Fractional Gold Coins** which should be of interest to most club members. Be sure to attend Friday so you do not miss out!

Please note that for all club auctions going forward that **all auction forms will be retained by the club**. Accordingly, if you would like an extra copy for your own records, you will need to bring duplicate forms. Last month our collections for the auction did not match our payout and without those records we were unable to reconcile the difference. We will discuss this further at the meeting.

This seems to be the time of year where there is a shortage of coin shows in Southern California. You can check out our coin show calendar on **Page 5**, and you will see that. That said, on Saturday, April 11 there is a **free educational symposium** hosted by the CSNA in Long Beach. There will be four programs on various numismatic subjects, including one by GCC member John Duff! I strongly encourage all of you to attend this event if you can. See **Page 6** for more details.

Finally, be sure to check out the raffle prizes listed on **Page 3**. Also bring your coins for show & tell and auction too.

See you all on Friday,
Mike

April's Program...

California Fractional Gold Coins 1852-1857

This month, **Jeff Stahl** will be presenting a short program on California Fractional Gold Coins from 1852-1857. There are several types of these popular privately minted small gold coins which were used mostly in the West during and after the California gold rush. This program should provide a good deal of information and will be a great introduction to this popular area of collecting to all levels of collectors. Please do not miss this great program on Friday!
