Our 686th Meeting

April 8, 2016

Message From Our President...

It was great to see so many of our club members at the recent coin show in Van Nuys hosted by the **Verdugo Hills Coin Club**. They do a great job with their show and raffle and that helps to bring out the public for our own show at the same location each October (October 23 this year). It was also great that a couple of our club members won gold coins in their raffle. Be sure to come to the meeting for details and maybe to get a gold coin!

This month, we are again lucky to have a very interesting program which will be presented by Red Henry. I'm sure many of you will be able to guess the topic of Red's program, even before you see the details which are found on **Page 2**.

This is usually the time of year where there is a shortage of local coin shows. This year, there is a new show in Gardena. Also, a **free educational symposium** will be hosted by the CSNA in Long Van Nuys on April 23. There will be five programs on various numismatic subjects, from ancients to moderns! See **Page 7** for details. I strongly encourage all of you to attend this event if you can. They will have door prizes as well! You can check out our full coin show calendar on **Page 6**.

Finally, be sure to check out the raffle prizes listed on **Page 3**. Also bring your coins for show & tell and auction too.

See you all on Friday,
Mike

April's Program...**Current Events re: Silver**

Earlier this year, Red Henry presented a program on the History of Silver as an Investment. Now that we know the history of investing in silver, this month, **Red Henry** will return to give a program on **Current Events in Silver**. Should be a great program for those of you looking for more information on the silver market and investing in silver. For those of you who bring items to auction at our monthly meetings, it may be a good time for you to bring some silver to sell to the members who should be primed up and ready to buy anything made of silver after hearing this program! Again, it's great when we have programs done by our regular club members. Please let us know if you have an idea that you would like to present as a program to the club this year!

Join the ANA...

If you are not already a member of the **American Numismatic Association**, now is the perfect time to join!

A regular membership in the ANA is a minimum \$28. Recently, the ANA provided our club with a limited number of **complimentary memberships** to the ANA for us to use as we wish. They are available only to those who are not currently members and who have not been members in the last couple of years.

Remember that the ANA **World's Fair of Money** will be held in Anaheim in **August 2016**. With your membership in the ANA, you will be able to register for that show in advance and receive free admission. You will also have electronic access to The Numismatist magazine including all back issues! Please consider joining and see **Michael Kittle** if you would like a **membership application**.

Join the NASC...

If you are not already a member of the **Numismatic Association of Southern California**, I again urge you to join.

Regular membership dues are \$20 annually, but if you sign up through our club your first year will be at a **discounted \$15 rate!** With your membership, you will receive a print subscription to the award winning publication, **The California Numismatist**, which is edited by **Greg Burns**. If you do not wish to receive the print subscription to TCN, the NASC offers digital memberships for **only \$10** per year.

The NASC also does a lot of good work to help support area coin clubs, including our Glendale Coin Club. For example, through their annual gold coin drawing, our club was able to earn over \$200! Please consider joining and see **Michael Kittle** if you would like a **membership application**.
