Our 666th Meeting

August 8, 2014

Message From Our President...

This month is our annual **White Elephant Sale** which is a great and popular fundraiser for our club. Please bring your donations for auction and all proceeds benefit the club. Many coin related items donated to the club will be auctioned as well, including a **2014 Silver GCC 55th Anniversary Medal** which I have donated for the auction. If you did not order one earlier in the year or want another, here is your chance to get one!

We will also have a program on the **ANA World's Fair of Money**. I will be attending the show in Chicago and will have plenty of photos and stories to share. Hopefully, I'll be able to share a few new interesting purchases as well!

The Golden State Coin Show and the **NASC Gold Coin Drawing** is later this month. This meeting will be your last chance to get tickets for your chance to win one or more of the **35 gold prizes** to be given away at the August 23-24 coin show! The **Long Beach Coin Expo** is also coming up again soon on September 4-6. Several club members have tables at the show and there are always many great coins to see. For info on getting FREE passes to the show, see **Page 5**.

So please come out to our August meeting for a fun program, show & tell and our annual fundraiser auction.

See you all at the meeting,
Mike

August's Program...

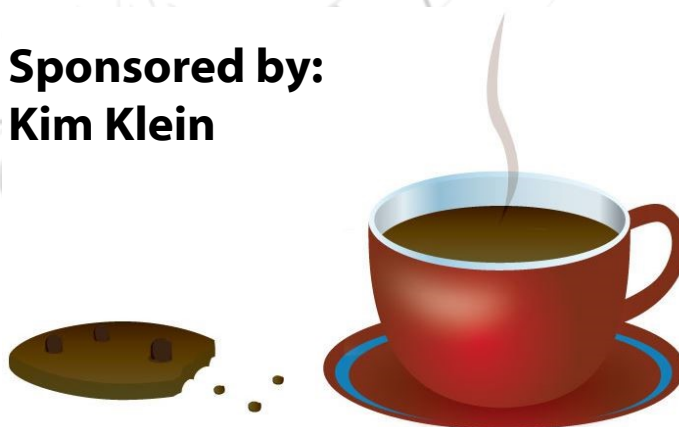

ANA World's Fair of Money Show Report

The American Numismatic Association's World's Fair of Money is one of the largest coin shows in the World, with hundreds of dealers, several World Mints and many coin rarities on sale or on display. The ANA show will also feature hundreds of collector's exhibits and a couple of major auctions. This year's show will be held in Chicago from August 5-9. Our current President, **Michael Kittle**, will be attending the show and returning just in time for our meeting on August 8. The program should have many photos from the show and hopefully some new purchases to share as well. For those who did not have the opportunity to make it to the show this year, this program will be the next best thing.
