Our 684th Meeting

February 12, 2016

Message From Our President...

I hope you are all ready for another great meeting of the Glendale Coin Club! This month's program is on the **Coinage of the U.S.-Philippines** which is a rapidly growing area of collecting that features many beautiful coins that were minted in the United States for a territory of the United States.

The Glendale Coin Club wishes to thank **Mary Yahalom** for her generous donation of four gold coins to the club. The coins were donated by Mary in Jerry Yahalom's name. A couple of the coins will make excellent additions to our monthly raffle and at least one of them will be an awesome prize to add to our annual show's gold raffle. Thank you again!

2016 **membership dues are due** at this time. Please be sure that you are paid up and remain an active member of the club. See **Page 6** for more details.

The Long Beach Expo was last week and it was great to see so many of our club members stop by and see me and Jay at our table. I know that we are both already looking forward to the next show in June, but there are several other local shows before that as well (see **Page 6**).

Finally, this month's raffle is another great one; a full roll of 2016 silver eagles will be given out. Also bring your show & tell and plenty of auction items too.

See you all on Friday,
Mike

February's Program...

The Coinage of the U.S.-Philippines

This month's program will be on the Coinage of the U.S.-Philippines and will be presented by Michael Kittle. From 1903 to 1945, coins were produced by the U.S. Mint for the Philippines, which were then a territory of the United States. The coins say United States of America on them and are included in the Red Book. This is a quickly growing area of collecting and the coins have wonderful designs. And compared to regular U.S. coins of the same era, most of the coins are much more affordable. Please come out and enjoy this program on this interesting area of coins. Again, it is always great when we have programs done by our regular club members. Please let us know if you have an idea that you would like to present as a program to the club this year! Thank you in advance!

Join the ANA...

If you are not already a member of the **American Numismatic Association**, now is the perfect time to join!

A regular membership in the ANA is a minimum \$28. Recently, the ANA provided our club with a limited number of **complimentary memberships** to the ANA for us to use as we wish. They are available only to those who are not currently members and who have not been members in the last couple of years.

Remember that the ANA **World's Fair of Money** will be held in Anaheim in **August 2016**. With your membership in the ANA, you will be able to register for that show in advance and receive free admission. You will also have electronic access to The Numismatist magazine including all back issues! Please consider joining and see **Michael Kittle** if you would like a **membership application**.

Join the NASC...

If you are not already a member of the **Numismatic Association of Southern California**, I again urge you to join.

Regular membership dues are \$20 annually, but if you sign up through our club your first year will be at a **discounted \$15 rate!** With your membership, you will receive a print subscription to the award winning publication, **The California Numismatist**, which is edited by **Greg Burns**. If you do not wish to receive the print subscription to TCN, the NASC offers digital memberships for **only \$10** per year.

The NASC also does a lot of good work to help support area coin clubs, including our Glendale Coin Club. For example, through their annual gold coin drawing, our club was able to earn over \$200! Please consider joining and see **Michael Kittle** if you would like a **membership application**.
