Our 664th Meeting

June 13, 2014

Message From Our President...

We have a guest speaker coming to our meeting on Friday. **Lawrence D. Goldberg** will be giving us a presentation on investing in rare coins and precious metals. He has also written a book on the topic which will be available to attendees. Please see **Page 2** for more information.

The Long Beach Coin Expo was held this past weekend and it was a great show. It was really nice to see lots of Glendale Coin Club members at the show as well. Dealers were doing lots of buying and selling and it was one of the most active shows in recent memory. I look forward to seeing everyone's new purchases during show and tell. We were also able to buy some neat coins for club raffle prizes!

If you have not already bought a copy of the **2015 Red Book**, we still have a few copies available at the meeting. We also have plenty of **NASC Gold Drawing** tickets available for sale. Remember that the NASC Gold Drawing is an important fundraiser for our club and you can win gold! Last year our club members won 5 of the 35 gold prizes!

Please come on out to our meeting on Friday for lots of fun, an interesting educational program, show & tell and auction. Remember that we auction lot tags and auction forms are available for download on our club website.

See you all at the meeting,
Mike

June's Program...

Investing in Rare Coins and Precious Metals

Lawrence D. Goldberg is a rare coin expert specializing in U.S. coins and patterns. In his book, *What Color Are Your Assets? An Insider's Guide to Rare Coins and Precious Metals* (Zyrus Press), Lawrence shares what he has learned in this easy-to-read, easy-to-understand guide to portable assets. In the pages of his book, you will learn to:

- Buy for Value
- Avoid Common and Costly Pitfalls
- Protect your Privacy with Hard Assets
- Get the Most from Inherited Collections
- Interpret Economic Trends that Impact the Value of Gold, Silver and Coins.

We are excited to have Mr. Goldberg share his knowledge and book with us and look forward to this interesting program.
