Our 700th Meeting

June 9, 2017

## Message From Our President...

The **Long Beach Coin Expo** is this week from June 8-10. This is the biggest and best show in the State and we are lucky to have it so close to us. If you are interested in buying or selling any coins, this show is a great place to do it with so many dealers in one place. And if you are going to the show, remember to stop by and support our Glendale Coin Club dealers in particular!

Thank you again to all who made last month's meeting so great. It seemed that most enjoyed the video presentation and our first **50-50 raffle** seemed to be a success as well. Overall, just over **\$300 was raised for the club** through the various donated items auctioned at the

meeting, almost half of which was from the sale of the showcases donated by **Mary Yahalom**. Thanks again to all who brought items and to all who bid.

I think we have a good meeting planned for this month too. Another interesting program is planned for us and I think we will all be able to learn something new. Maybe we'll see some Long Beach new purchases during show and tell? too We will also have another exciting Raffle (see Page 3) and our regular Auction too. Hope too see lots of you at the meeting this month. Join us for some coin fun and lots of yummy refreshments too!

See you on Friday,  
Mike

## **June's Program...**

### **Early Dollars of the United States By: Ed Quon**

This month's program will be on the early silver dollars of the United States. At the February 2017 Long Beach Coin Expo, an amazing collection of early dollars dated 1794 to 1803 was on display, including the famous \$10 million dollar coin, the 1794 Dollar graded PCGS SP66 which some numismatists believe to be the first silver dollar ever struck by the United States Mint.

Please come out to the meeting and enjoy this program on earl dollars. Again, it is always great when we have programs done by our regular club members. Please let us know if you have an idea that you would like to present as a program to the club this year so that we can continue to have great presentations at our meetings! Thank you in advance!

## Join the ANA...

If you are still not a member of the **American Numismatic Association**, now is the perfect time to join!

A basic membership in the ANA is \$28 per year. Recently, the ANA provided our club with a limited number of **free memberships** for anyone who is not currently an ANA member and who has not been a member recently.

The ANA is our hobby's national organization and does so much to further our hobby. They have many educational programs, a wonderful monthly magazine and host some of the best coin shows in the country. Your membership includes online access to all of the back issues of *The Numismatist* magazine going back over 100 years! Most importantly, you'll be part of a great numismatic organization! Please consider joining and see **Michael Kittle** if you would like an **application**.

## Join the NASC...

If you are not already a member of the **Numismatic Association of Southern California**, I again urge you to join.

Regular membership dues are \$20 annually, but if you sign up through our club your first year will be at a **discounted \$15 rate!** With your membership, you will receive a print subscription to the award winning publication, **The California Numismatist**, which is edited by **Greg Burns**. If you do not wish to receive the print subscription to TCN, the NASC offers digital memberships for **only \$10** per year.

The NASC also does a lot of good work to help support area coin clubs, including our Glendale Coin Club. For example, through their annual gold coin drawing, our club was able to earn over \$200! Please consider joining and see **Michael Kittle** if you would like a **membership application**.
