Our 703rd Meeting

September 8, 2017

Message From Our President...

Last month we had a great time with our annual pizza party. Because of an inadvertent scheduling mistake, I double booked the program so my program on the first coins of the United States didn't happen last month. So, if you were upset that you couldn't make it to last month's meeting and thought that you missed my presentation, worry no more as you can come to the meeting and see it this Friday!

The NASC's annual Golden State Coin Show in Arcadia a couple weeks ago went very well and it was really great to see lots of GCC members attending. The NASC's member club benefit raffle drawing of 35 gold coins went well too with our **Glendale Coin Club** selling the

most tickets (by far) and we also had several club members winning gold coins! Congrats to all of the winners and thank you all for buying tickets.

If you haven't had your fill of tickets, please remember that **Glendale Coin Club Show & Raffle** is coming soon on **October 22, 2017**. Please be sure to come to the meeting to take/purchase raffle tickets and please also let us know if you can help out at the show. The show and raffle is the big fundraiser of the year for GCC and your help/support is greatly appreciated.

Of course we'll have a great Raffle (see Page 3) and Auction to this month!

See you on Friday,
Mike

September's Program...

The First Coins of the United States By: Michael Kittle

This month's program will be on the first coins struck by the United States. The United States Mint was established in 1792 and the first coin struck was the 1792 Half Dime. Before the establishment of a Mint, the newly formed United States also authorized a few other coins. Some of these very first coins of the United States were recently on display at the ANA World's Fair of Money in Denver.

Please come out to the meeting and enjoy this program. Again, it is always great when we have programs done by our regular club members. Please let us know if you have an idea that you would like to present as a program to the club this year so that we can continue to have great presentations at our meetings! Thank you in advance!

Join the ANA...

If you are still not a member of the **American Numismatic Association**, now is the perfect time to join!

A basic membership in the ANA is \$28 per year. Recently, the ANA provided our club with a limited number of **free memberships** for anyone who is not currently an ANA member and who has not been a member recently.

The ANA is our hobby's national organization and does so much to further our hobby. They have many educational programs, a wonderful monthly magazine and host some of the best coins shows in the country. Your membership includes online access to all of the back issues of *The Numismatist* magazine going back over 100 years! Most importantly, you'll be part of a great numismatic organization! Please consider joining and see **Michael Kittle** if you would like an **application**.

Join the NASC...

If you are not already a member of the **Numismatic Association of Southern California**, I again urge you to join.

Regular membership dues are \$20 annually, but if you sign up through our club your first year will be at a **discounted \$15 rate!** With your membership, you will receive a print subscription to the award winning publication, **The California Numismatist**, which is edited by **Greg Burns**. If you do not wish to receive the print subscription to TCN, the NASC offers digital memberships for **only \$10** per year.

The NASC also does a lot of good work to help support area coin clubs, including our Glendale Coin Club. For example, through their annual gold coin drawing, our club was able to earn over \$200! Please consider joining and see **Michael Kittle** if you would like a **membership application**.
