Our 645th meeting

May 10, 2013

## President's Message

Dear GCC Members & Friends,

I would first like to thank you all for the opportunity to serve as President of the Glendale Coin Club. I am looking forward to working with everyone to make the Glendale Coin Club one of the best coin clubs in Southern California. I would also like to thank Don Berry for his service as President over the past few years and for taking on the position as our Treasurer.

Right away, I hope to make our monthly Club Raffle more exciting by offering more prizes and prizes of higher value. The goal is to make the Raffle more exciting for all of the members, but also to sell more tickets and help the Club raise additional funds. Of course, I welcome your feedback as to what types of prizes you would like to see in future Raffles. We will also be introducing a new feature to our monthly Raffle which I hope you will all enjoy! Make sure to come to the meeting and be sure to buy plenty of tickets!

### Program Information

"Gold Fever and the Bechtler Mint:  
A Story of the First U.S. Gold Rush"

Vice President, Jay Robinson , says for many it is a surprising story that North Carolina was the site of America's first gold rush, and that a German immigrant living in the small mountain town of Rutherfordton in Rutherford County created a successful private mint that produced the first \$1 gold coin in American history.

Gold Fever and The Bechtler Mint, explores the story of North Carolina's gold rush and tells how one determined and talented man filled a need and transformed an entire region by changing the economy, and instilling a pride that is still evident to this day. I know that you will enjoy this program.
